I (b) (7)(C), hereby declare as follows:

On 01/10/2017 I received a call from (b) (7)(C) at 0848hrs who was working at the South Entrance post. (b) (7)(C) stated that (b) (7)(C) and accidentally discharged his weapon. I (b) (7)(C) along with (b) (7)(C) reported to South Entrance. I escorted (b) (7)(C) (b) (7)(C) outside through the D/E Fire Exit by Stairwell#3. Once outside I inspected (b) (7)(C) firearm which was still located in the holster and the slide partially back. I the removed the firearm from (b) (7)(C) holster. The slide was partially open with the spent casing located located between the barrel and the slide in a stove-pipe position. The following round did begin to feed but could not chamber due to the breeched casing. It was verified that no one received any person injury. There was damage to floor area with a approximately 2" divit in the tile floor. It appears that that some projectiles hit the wall and into the ceiling tile above discharge area. A search was conducted to locate the bullet. Part of the brass jacket and some of the lead swag was located outside of the Desk area in the hallway. (b) (7)(C) (b) (7)(C) was advised to report to console and begin writing his statement. (b) (7)(C) arrived and inspected the area and verified no one was injured. The firearm was secured by (b) (7)(C) and
